

SCHEDULING YOUR UPS PICKUP

- Visit www.ups.com
- Go to the shipping tab and select “Schedule a pickup” (pictured right)
- If your company currently **holds** a UPS account; you can schedule your pickup directly. (All shipping charges are prepaid)
- Please enter the required information to ship your package via UPS Ground.

- If your company **does not** hold a UPS account, you may be prompted to provide an account number and zip code. (pictured below/right)

All charges are prepaid through Assured Waste Solutions. Please follow the next steps listed below to continue with your pickup request at no cost to you.

- When asked to provide an account number and zip code:
 - **Contract AWS to provide you with this information.**
- Be sure to **UNCHECK** the box below the account number as you are **NOT** scheduling an on call pick up!
- Continue filling out your company’s information as requested.
- All packages are shipped via UPS Ground
